BRIEF ABSTRACT OF LETTER.

Adverts to no 71 568/-2 Gen Fi 72-04 of the 25/2/05 re the adjustment of Rs 335 sanctioned for payment of Compensations for lands &c acquired for widening the approach road to Jagan Mohan Palace and states that the amount does not appear to have been ~~made~~ paid to the parties concerned pending the adjustment of the amount due from them for having constructed frontages to their houses and asks ~~NOTES AND ORDERS~~. and that whether no objection could be made.

W

In Government Proceedings no. 85 D.C of the 26/4/00 a sum of Rs 30,000 was sanctioned for the purpose of widening the approach road to Jagan Mohan Palace on the occasion of Royal Marriages. Out of this a sum of Rs 11,812-...

was ordered to be treated as an advance in favour of Mysore City Municipality for the Construction of Bazaar Frontages in G.O no 3138-40 of the 13/10/00. But the sum actually advanced for this purpose was only Rs 11681-0-10. Thus the sum really available for compensation for acquiring land etc was only Rs 18318-15-2. This amount seems to have been quite inadequate for the purpose and a further advance of Rs 3971-0-10 was sanctioned in G.O. no. H 1222-3 of the 27th Feb 02. The Deputy Comr of Mysore was also requested to submit bills for compensation paid including Rs 335 on account of compensation which had not yet been paid to the party concerned in adjustment of the advance of Rs 30,000 originally granted. Thus the total amount to be accounted for by the Deputy Comr was Rs 18318-15-2 plus 3971-0-10 or Rs 22,290. for which amount account was requested in the above G.O. Accordingly the Deputy Comr submitted 16 bills amounting to Rs 21,955 with his letter no 596 of the 24th Jan '05, thus leaving ~~leaving~~ a balance of Rs 335 the sum in question still to be accounted for.

MGCPB—20,000—1-11-04.

This fact was however brought to his notice in Govt. Pro no H 5681-2 of the 25/2/05 and he was requested Gen No 72-04 to forward Vouchers for the amount. He replied in his Office no 44 of the 2 Sept '05 that the amount was not Savehouse and placed at his credit and that it did not appear to have been paid to the parties concerned. His attention was likewise directed to G.O no H/222-3 of the 27/2/02 Sanctioning the amount for the purpose

Now he states that the amount-Sanction in the above proceedings does not appear to have been paid to the parties concerned pending the adjustment of the amount due by them for frontages to their houses and shops. The amount seems to be claimed as a set off against the amount due from the parties agreeably to G.O no 3138-40 H 292 of the 13th Oct 00 which directed that the recovery of the amount spent upon the construction of frontage may be recovered from the owners of houses and Shops for which the additions are made.

But it is submitted as follows There are one or two points in the Deputy Comm's letter which are not quite clear

2. The letter also states that the amount is claimed as set off for frontages built to the houses and shops in the parts concerned. This does not quite agree with No H 1222-3 of the 27/2/02 where it is stated that the sum of Rs 335 remaining to be paid is for compensation for lands acquired
